

Bite Back

Intro: G Em C D G Em C D

Couplet 1:

G Em C D
Why do people try to tell that love can be a stranglin' hell
G Em C D
Do you really think that I missed the night side of life
Em G C D
But where is all the love gone and the hurting is already done
G Em C D
And if it's just a taste of bitter sweet, please leave the fighting if it's real
C D C D
And if you don't agree, and if you're far away from me

Refrein:

C G C G C D
Fight back, bite back, but don't expect the same from me
C G C G C D C
Fight back, bite back, you got to accept that I wanna try that lovin' track

Intro

Couplet 2:

I do really know that life can hit you from below
I do really know that sometimes there's nowhere to go
But I don't want to hurt you, it's really really true
That I wanna live in peace with you and I hope some day you want it too
And if we don't agree, and if you're far away from me

Refrein

Bridge:

D C D C
Come on friend, let's shake hands, before we split, before the end
D
But if you don't, but if you don't

Refrein (1e regel)

Gitaarsolo: G Em C D Em G C D C D C D
