

I Wish

Intro: D / D / D / D

Couplet 1:

D F#m
I wanna tell you 'bout the way that I feel
G A
About the fear, about the pain I wanna heal
D F#m
There ain't no easy way to let this out
G A
The rain is falling down, you can't escape, feel it now

Refrein:

D A
I wish that I could be someone you could be near to
D A C G
It's not because of you or things that I regret to share

Couplet 2:

I don't wanna blame you for the things that you do
This world has never been nice to you
They killed your dream about a flower life
Tried to give you a little dream back

Refrein

Bridge:

F#m Bm
And if I can't give it all to you, remember that I wanna be true
F#m Bm
We have lived the darker side because of the things we had to hide
C A
All we can do is try (cry)

Gitaarsolo volgens couplet

Instrumentaal: D / F#m / G / A

Couplet 3:

Every time you kiss the wrong way out
You hit yourself without a scream, without a shout
All I can do is stop you, stop you from dying
Cause I hate to see you walk away from here

Refrein (2x)

G D
Let it be spring, let it be May
